

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am appalled by the recent block of the Dish Direct TV merger. I have Dish and will keep it but I would like some of the services only offered by Direct TV such as; the Pro Football package. This is the most anti-consumer thing this administration has done. It also makes it difficult for Satelite to ever compete with cable.
